

Week Beginning 1st February – P2/3 Miss Dryden

*All activities will be set as tasks on Seesaw which is where you will find instructions for your child's learning.

At any time, your child can revisit activities they've not had time to complete or that they would like to revisit. SumDog is great practise for maths skills at any time, as is the Letterjoin website for handwriting practise (username is VT12324, password is *home*. On an iPad, the unlock pattern is an L shape).

Monday	Tuesday	Wednesday	Thursday	Friday
<u>Maths</u> Time; o'clock and half past	<u>Maths</u> Time; o'clock and half past	<u>Maths</u> Time; o'clock, half past, am, pm	<u>Maths</u> Time; minutes and hours	<u>Maths</u> "Beat That" Challenge SumDog for some online fun!
